DETAILED ACTION

Allowable Subject Matter

Claims 1-28 are allowed.

The following is an examiner's statement of reasons for allowance: The amendments to the claims have overcome the prior art and placed the application in condition for allowance, essentially for the reasons set forth by applicant in the accompanying Remarks. There is no suggestion of a computer system and method having all of the limitations of the claims. In particular, the limitations pertaining to lists of targets related to the curriculum and the discriminative stimuli are not suggested. Furthermore, the amendments are sufficient to overcome the prior rejections under 35 USC 101 and 112. As a result, the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kurt Fernstrom whose telephone number is (571) 272-4422. The examiner can normally be reached on M-F 9:30-6:00. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris Banks can be reached on (571) 272-4419.
